

Endocrine Disruption-induced Developmental Neurotoxicity: Closing Scientific and Regulatory gaps

The ENDpoiNTs final conference

Dates: June 11th-12th 2024

Venue: O|2 Labgebouw, Vrije Universiteit Amsterdam (De Boelelaan 1108, 1081 HZ Amsterdam, The Netherlands)

Day 1: Scientific insights

08:30-09:00	Arrival and registration
09:00-09:20	Welcome and overview of the project
09:20-09:35	Deep within: charting the molecular events initiated by exposure to endocrine disruptors
09:35-11:05	Conduits of toxicity: tracing the path from molecular initiating events to toxic effects in neurodevelopment
11:05-11:30	Coffee break (with poster viewing)
11:30-13:00	Impaired futures: the long-term adverse outcomes of endocrine disruptors exposure during neurodevelopment
13:00-14:00	Lunch break (with poster viewing)
14:00-15:30	Sense making by scaling across: OMICs data unravel the key events connecting molecular initiators to adverse outcomes
15:30-16:00	Coffee break (with poster viewing)
16:00-16:45	Understanding neurotoxicology in real life: the ENDpoiNTs mixture study
16:45-17:30	Branching out and looking forward: the integration and preservation of ENDpoiNTs results and resources
17:30-17:45	Wrap up and closing of Day 1
19:00	Dinner

Day 2: From insights to actions

09:00-09:20	Welcome and introduction to Day 2
09:20-10:20	Roadmap towards ED-induced DNT regulation (Session 1)
10:20-10:50	Coffee break (with poster viewing)
10:50-11:50	Roadmap towards ED-induced DNT regulation (Session 2)
11:50-12:00	Wrap up and closing of the conference
12:00-13:00	Lunch
