General Terms and Conditions for the Tutorial in Understanding Dutch in Participation Councils

1. You can register for the tutorial by submitting a digital registration form.
2. After we receive your registration form, you will receive an invite for an intake procedure, which will serve as the basis of a quote for the tutorial.
3. After the quote is signed off by the contact person of the faculty or service in question, the costs of the coaching sessions will be charged to said faculty or service.
4. Course participants make individual arrangements with the teacher about the location and time of their coaching sessions.
5. Course participants may request the teacher to reschedule a session, provided they do so more than 24 hours in advance. Otherwise, their right to the session lapses.
6. Personal data received by VU-NT2 through the registration process will be processed in accordance with the VU privacy statement.
