

Can I come to the VU campus for classes or to study?

Have you tested positive for Covid-19?

If you've taken a self-test and the result is positive, make a test appointment with your local GGD for confirmation.

Yes →

Stay at home! Follow the GGD's instructions and do the [quarantinecheck](#).

No

Do you have any Covid-19 symptoms?

Symptoms include runny nose, sneezing, sore throat, coughing, difficulty breathing, high temperature, fever, sudden loss of smell and/or taste.

Yes →

Stay at home and make a [test appointment with the GGD](#)

Do you have Covid-19? Stay at home and follow the GGD's instructions.

No

Do you have a roommate who has tested positive or have you been in close contact with someone who was infected, and are you not sure whether you should stay at home?

Yes →

Do the [quarantinecheck](#)

Whether or not you should quarantine depends on the duration of your contact with the infected student (more or less than 15 minutes) and your proximity (more or less than 1.5 metres).

No

Have you been informed by one of your lecturers that someone in your class has tested positive? Or have you been informed by the person themselves?

Yes →

No

Have you recently returned from a country with an orange or red travel advisory?

Yes →

Do the [quarantine travel check](#)

No

Meet each other on the VU campus!

Other things you can do to stop the virus from spreading:

- ✓ Follow the Covid rules and the instructions in the buildings. For more information, read the [flyer about the basic rules and the rules on campus](#).
- ✓ Take a self-test twice a week. Order free testing kits on [zelftestonderwijs.nl](#)
- ✓ Vaccination is our most important weapon in the fight against Covid-19. [More information about vaccination](#).
- ✓ Only come to campus for scheduled educational activities.
