### 4. DO YOU HAVE SUFFICIENT FUNDS TO LIVE AND STUDY IN THE NETHERLANDS? (max. 150 words)

Even if you receive VUFP (and HSP) scholarship(s), you will need your own funds to cover 100% of your living expenses in the Netherlands. That is why we ask you to describe how are you planning to pay for your stay.

You will not receive any points for this question but you need to answer it as otherwise your application will not be considered.

You do not need to mention amounts.

- *VUFP is a tuition fee waiver. If you applied for a 2-year Master's programme, you need to obtain 100% of first-year credits (ECTS) to receive the scholarship for the 2<sup>nd</sup> year.*
- *HSP is a contribution towards the living costs, and it is € 5.000 EUR or €10.000 EUR for the entire duration of your studies. This means that even if you are enrolled in a 2-year programme, you will receive the HSP scholarship only in the first year of your studies.*
