If you would like to have the course evaluation to be done during the last class, then you need to keep the evaluation "By Invitation", but adjust the start date. See the steps below.

How would you like to make this evaluation available? For an optimal response, choose a method that matches your education the best. Live in class By invitation Live in class Live in

By Invitation

Keep the method of evaluation set to "By invitation", so that students receive an invitation email and reminders to fill out the evaluations.

3a – Adjust the end date of the "Editing by Teacher" period, so that it ends 1 day before the desired start date of the evaluation.

Bb – Choose now the desired start date of the evaluation period.

3c - Please note that students need to have a minimum of 14 days to complete the evaluation.

3d - Ensure that the subsequent dates (feedback, reminder, and results) are aligned.

3e – Click the "Save" button to apply your changes.

On the day of the last class, refer students to the invitation email in their VU inbox for the link to the course evaluation. If the evaluation has been enabled in the Canvas class, then students will also be able to complete the evaluation within Canvas.
