| Master's programme you are applying for | |

1 Introduce yourself in max. 100 words

2 What makes you a good candidate for the OTS/VUFP Indonesia scholarship? (max. 150 words)

3 Why are you in need of a scholarship to study at VU Amsterdam? (max. 150 words)

4 Diversity and inclusion are important values to VU Amsterdam. On our website, you can read the following quote:

'Society and with it our university community has a wide variety of gender, sexual orientation, nationalities, cultures, ways of thinking and religions. We train and educate our students to deal with these differences. So that they, as professionals, are able to view matters from a broader perspective, and as future leaders can make the difference in society. We strive for 'inclusive excellence', whereby students, teachers, lecturers and employees within VU use mutual differences to stimulate more creativity and talent development.'

Please elaborate on these topics from your own (academic) prospective. (max. 150 words)
